AMERICAN
KENNEL CLUB

CERTIFICATION Permission has been granted by the American Kennel Club for the holding of this event under the American Kennel Club rules and regulations.

GINA M. DINARDO, Executive Secretary

Montana (BACM) receiving insufficient funds, the Trial Secretary will add a \$30.00 collection fee to the amount of each returned check. Those whose checks are returned will be handled on a cash- or online-only basis at future trials. Each entry must be completed in full, and the information given on the form must apply to the particular dog who's entered. Valid entries may be on either original or scanned copies of *official AKC entry forms*, and the agreement and rules must appear on the entry form. The entry form must be signed by the owner or agent duly authorized to make the entry.

A fillable PDF Entry Form can be found at beartoothagilityclub.com. Just fill in the entry form online, download, and send. You can email your entry and send your check by mail. Alternatively, you can print your entry and pop it into the envelope with your check. Send your entry to our Fast CAT Trial Secretary using the contact information on the front cover or on page 2 of this premium.

ELIGIBILITY

Age. Fast CAT events are open to all breeds and mixed breed dogs of at least twelve (12) months of age, provided that they are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs (mixed or purebred) enrolled in the AKC Canine Partners program.

Physical Considerations. Spayed and neutered dogs are eligible to participate. Dogs with breed disqualifications and monorchid/cryptorchid dogs are eligible to participate. Dogs that are physically challenged due to loss of limbs are eligible to enter and will be given the same consideration by the inspection committee as four-legged dogs. A dog that exhibits a state of well-being at the time of inspection, shows no signs of physical discomfort, and in the opinion of the inspection committee, appears to physically have the potential to safely complete the course will be considered fit to participate.

Apparatuses. For safety purposes, any dog requiring an assistance apparatus, such as a wheeled cart, will not be allowed to participate.

Other. Females in season may **NOT** enter. Aggressive dogs or dogs suffering from any deformity, injury, or illness that may affect the dog's physical or mental performance are not eligible to enter.

A dog may enter only once per event (defined by an event number).

OPERATIONAL INFORMATION

Trial Hours and Procedures

The trials run from 8:30 am to 3:00 pm on Friday & Saturday, to noon on Sunday. Early acceptance of dogs for members of the event committee may begin one-half hour prior to the published test hours.

The final check-in for Entry Cards will be no later than 3:00 pm (Friday and Saturday) and noon (Sunday).

The events each day will run concurrently.

Running Order

The running order is the order in which the exhibitor presents the Entry Card (Run Card) to the designated Field Trial person. Fun runs and trial runs will be intermingled based on when the Entry Card is turned in.

- At check-in, each exhibitor will receive one Entry Card per entry and can present the card when they are ready to complete their Fast CAT entry or fun run. Hold tight to these cards! They are your tickets to run and the backup records for the event.
- The exhibitor must present the card when they are ready for their run.

☞ *Be sure you present the matching Entry Card and dog.* ☞

- Exhibitors are responsible to arrange for at least one person to assist in either releasing and catching their dog. The handler may catch or release.
- All dogs will run once per entry (defined by an event number) unless an equipment failure occurs.
- If the weather is warm enough to warrant it and the owner or handler makes a request, special consideration will be granted to allow older or brachycephalic dogs the opportunity to run in the cool of the morning.

ALL DOGS RUN AT THE OWNER'S SOLE RISK.

Awards

Trial Ribbons—A light blue ribbon will be awarded to each dog that completes the 100-yard dash

Rosettes—a beautiful BACM “New Title” rosette with a wing indicating BCAT (150 points), DCAT (500 points), or FCAT (1,000 points).

INSPECTION, COLLARS, AND MUZZLES

Before *every* trial, an *inspection committee*, consisting of two BACM members, will examine each entry for lameness, fitness to compete, and females in season, and may measure the dog with a wicket. The inspection will take place before any form of wrapping is applied to the dog. Any entry found, in the opinion of the inspection committee, to be lame, unfit to compete, or a female in season shall not be allowed to enter. Entry fees shall be refunded if the inspection committee judges the dog unable to participate.

- While we prefer that dogs run without collars, dogs may wear *most collar types but not* a choker collar, a collar with prongs, or an electronic training collar.

- The use of *rubber bands or clips* to hold the dog's hair is permitted. Tags, if any, may be taped to the collar so they do not pose any risk of becoming entangled on something during the run
- *Basket-type muzzles* are allowed, provided that they allow the dog to open its mouth to pant and breathe freely.
- Dogs with *artificial coloring in their coats* may participate. The coloring must not cover more than one-third of the dog's coat. The coloring must not disperse (leave a cloud) when the dog is running. Colored markings on a dog must not be in poor taste and cannot contain profanity or conflict with a sponsor of a trial. It is the responsibility of the Trial Chair to decide if the coloring is acceptable.

GENERAL INFORMATION/RULES

- ***THIS IS AN OUTDOOR EVENT.*** Weather is an important consideration. Please bring your own chair, shade, and water. In August, the humidity is low. Daytime temperatures average about 85°F and can be much higher.
- You'll need a leash for each end of the course because your dog cannot run while wearing a leash (obviously!).
- A stock tank of water will be available for the dogs near the check-in area.
- No one, except Field Committee members, will be allowed on the field without expressed permission from a member of the Field Committee.
- A fine of \$5 will be assessed for dogs that are loose when Fast CAT is in progress.
- Disposal sites and cleaning supplies to clean up after your dog are available at various locations around the show grounds. Please use them.
- ***The safety of the dog*** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the AKC Regulations and the physical demands of this sport and that their dog is fit for competition. You may consult the AKC Fast CAT Regulations. BACM and YDS assume no liability for injury to any person or dog before, during, or after the event.
- **Photographer Jazmin Moulton** will be on hand offering actions shots for sale.

REFUNDS

- ✓ Dogs determined to be ***lame or unfit to participate*** by the Inspection Committee, the owner, or the agent at the time of roll call or upon previous notification by the owner or agent. These dogs shall be barred from participating, and their entry fees shall be refunded in full.
- ✓ ***Bitches in season*** may not participate, or bitches that come in season after the close of entries shall be barred from participating. In these cases, the club will refund entry fees in full, minus any credit card or electronic fund transfer fees. Notification to the Secretary of bitches in season, must be made before or during the roll call. A note from a veterinarian is not required. Bitches in season are absolutely ***NOT*** allowed anywhere on the Fast CAT trial grounds. ***NO EXCEPTIONS.***

- ✓ ***Refunds*** for overpayment of entries or cancellations made prior to the closing date will be mailed to the exhibitor or agent after the conclusion of the trials.
 - ***Entry fees will be retained*** for dogs that are scratched (no-shows).
 - ***No entry fees will be refunded*** if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, or any other causes beyond the control of the Trial Committee. This is standard operating procedure for AKC events.

The *Beartooth Agility Club of Montana (BACM)* may decline any entries for cause and may refuse to receive any dog on account of disease, viciousness, or other causes. No one shall have any claim or recourse against BACM or any official thereof.

SITE INFORMATION

Buildings

This spacious facility is pleasant, well-maintained, and newly renovated. The main building offers pleasant restrooms with hot and cold running water. The main building is typically open from 7:30 am to 5:00 pm on Saturday and Sunday.

IMPORTANT! No muddy, wet, dirty, or snowy shoes are allowed on the green turf inside the main building. We ask that you wear self-designated “turf” shoes—distinct from your normal shoes—or go barefoot (with or without socks) whenever you are on the indoor turf. YDS wants the new flooring to last a long, long time. You can help by not tracking in dirt, sand, gravel, mud, grit, or snow.

We suggest you have a set of clean and dry shoes set aside for wearing on the turf in the main building. When you go outside, please wear your outside shoes. Upon entering or returning to the main building, you do not need to remove or change your shoes immediately. The entry mats and black mats are there to collect most of the outside dirt and mud. However, we do ask that you change into dry and clean shoes *before walking on the indoor turf*. This is especially important to know ahead of time if you plan to compete in the main events associated with the BACM Rally Trials.

Grounds

Around the grounds, you'll find fenced areas for exercising your dogs, a pond with a dock, and ample parking. Cleaning supplies and disposal sites for picking up after your dog are situated in convenient locations. *Please use them.*

The show grounds include all buildings, the surrounding parking areas, pastures and all the fenced exercise areas.

Dogs

Dogs are welcome just about anywhere on the show grounds except as indicated. Dogs must be secured on leash, in their crate, or in their owner's vehicle at all times. They may be exercised on leash only in designated areas. Dogs may not remain in any arena overnight.

It goes without saying, but we will say it anyway. No dog with a communicable disease shall be on the show grounds or premises. Exhibitors should follow their veterinarian's recommendations to ensure that their dogs are free of internal and external parasites and any communicable disease and have appropriate vaccinations.

Health

BACM and YDS will adhere to the health safety rules and guidelines set forth by the State of Montana or Carbon County that are in effect on the date of the event. Exhibitors should follow their physician's advice to ensure they do not pass along any communicable diseases. Social distancing, frequent hand washing, and hand sanitization are always wise.

General

All regulations governing the use of this facility and all regulations and decisions of the Field Committee of the Beartooth Agility Club of Montana will be strictly enforced, including those not listed in the premium list. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and children.

FOOD

Yellowstone Dog Sports sells tasty and affordable snacks, breakfast, and lunch items on Saturday and Sunday. Also, Saturday night dinner will also be available for purchase by those who sign up. The kitchen closes at noon on Sunday. Ice is usually available for purchase. On Friday evening, we will have a potluck dinner. Watch the website for details.

The towns of [Red Lodge](#) and [Roberts](#) offer a variety of restaurants. Follow these links for more information.

SELF-CLEANING EVENT

This is a self-cleaning event. This means that exhibitors and dog owners are responsible for picking up after themselves and their dogs on the show grounds and at every lodging location.

Situated around the YDS grounds, you will find cleaning supplies and disposal sites for picking up after your dog. During the event, a disposal receptacle will be available near the Fast CAT track.

You are responsible for keeping your crating/parking area clean. Because this is a windy location, plan to pick up trash regularly and take it with you whenever you leave the Fast CAT area. You may place your trash in the dumpsters near the main building. Note that the wind can sometimes be strong enough to suck loose items directly out of your vehicle.

Please be considerate of others and of our host. Clean up after yourself and your dogs.
